Welcome to Govt. ITI For Women Kozhikode

"An institution with a difference"..... To ensure the steady flow of skilled female workers in different trades apt for domestic industries, to enhance industrial production quantitatively and qualitatively by systematic training, and to provide them employable training and to culture and nurture a technical and industrial attitude in their minds to find out self employment.

Govt. Industrial Training Institute for Women, Kozhikode, are committed to provide the best academic and competitive training by providing specially designed training programs; faculty and support staff to update knowledge and sharpen the skills of the trainees. We sets the path in Women empowerment through Vocational Training.

The campus today is home to 568 trainees, 27. faculties and 26 staffs supporting them. And it brings out more than 472 young female professionals annually. The trainees of this institute bagged various awards since inception in the skill competition field. The reputation of the institutes owes not only to its uniquely designated courses and management development programme but also a team of young and motivated faculties. A group of talented and dedicated instructional and non-teaching staffs renders their full fledged support to promote the multi-farious attitude of the trainees concentering the academic values.
